"they really bring it and show they've still got plenty of gas in the tank"

"Throughout the album, there's questioning and existentialism...but in classic Metric fashion, listeners can't help but rock out anyway."

"calmly caustic"
The New York Times

"the album squares that clear-eyed view of the present with sincere faith in people and our capacity to love and support each other."

METRIC'S EMILY HAINES ON FINDING HOPE IN FORMENTERA
